Skurnik Wines & Spirits

BEHIND THE BACK LABEL

Founded in 1987, Skurnik Wines has spent nearly four decades quietly assembling one of the most intellectually serious import portfolios in the American wine trade. Where others chase trends, Skurnik follows conviction, building long-term relationships with growers who farm with purpose and make wines that speak honestly of their place.

The portfolio is anchored by an unrivaled depth in German and Austrian wine, representing some of the most celebrated estates in the Mosel, Rheinhessen, Wachau, and beyond.

What unites every producer in the book is a refusal to take shortcuts, in the vineyard or the cellar. These are wines made by people who believe that the best thing a winemaker can do is get out of the way and let the land speak.

Pretty in Pink

LOOKING THROUGH A ROSÉ COLORED GLASS

We invite you to set aside the notion that rosé is a warm-weather afterthought. The wines on this page are salmon and blush, cerise and copper, still and sparkling, bone-dry and a bit rounder; each one chosen because it made us pause, and want to say something about it. Pour. Admire the color in the glass. And drink the way rosé has always insisted we should, with pleasure.

Cheers! - Ashley Waugh

Spécial Club Champagne

Spécial Club champagne, also known as the Club de Trésor or Club of Treasures, is the highest designation for grower champagne. Of the hundreds of grower champagne producers, only 28 are currently a part of this prestigious organization.

The process of being included in the Club de Trésor is incredibly rigorous. Prior to each declared vintage every wine is blind tasted at two different points throughout production and must be unanimously approved.

A style of champagne that is near and dear to our hearts, we are very excited to be able to curate a selection of our favorites for you to enjoy.

Cheers! - Ashley Waugh
