# Cruise Down the Rhône

## ARM-CHAIR TRAVEL

France's Rhône Valley & Provençal area is home to some of the oldest, most famous and sought after wines in the world. Join us in an exploration of these fascinating regions, starting in the Northern most village of Côte-Rôtie and culminating as the Rhône River enters the Mediterranean Sea in Provence.

From the boldest expressions of Syrah and Grenache to beautifully aromatic white wines, there is sure to be a wine for every palate to discover and enjoy.

Cheers! - Ashley Waugh

# Spécial Club Champagne

*Spécial Club champagne, also known as the Club de Trésor or Club of Treasures, is the highest designation for grower champagne. Of the hundreds of grower champagne producers, only 28 are currently a part of this prestigious organization.*

*The process of being included in the Club de Trésor is incredibly rigorous. Prior to each declared vintage every wine is blind tasted at two different points throughout production and must be unanimously approved.*

*A style of champagne that is near and dear to our hearts, we are very excited to be able to curate a selection of our favorites for you to enjoy. Cheers!*

# The Wines of Bill Harlan

*Few people have had the vision & forethought to impact the Napa Valley wine culture as completely as Mr. Bill Harlan. As Bill tells it, a visit to Robert Mondavi's winery the week it opened in 1966, sparked a lifelong dream... to create a 'First Growth of California'. He bought his initial piece of land in 1979, three years after Napa Valley shocked the world, with the judgement of Paris.*

*Harlan Estate, first released in 1996, quickly became one of the most sought-after labels in the world. Setting a model, which became a new standard, with low production, top quality fruit and resulting high prices, Harlan literally created the cult cabernet category. His work at Bond (1996), The Napa Valley Reserve (2000) and, most recently, Promontory (2008) has cemented his legacy.*

*After six perfect scores between '94 & '13, Robert Parker declared, "Harlan Estate might be the single most profound red wine made not just in California, but in the world."*
