Women in Wine

LES GRANDES DAMES

In honor of Women's History Month, we are proud to highlight the incredible contributions of female winemakers who are shaping the world of wine. Throughout history, women have been at the heart of winemaking, and today, they continue to push boundaries, innovate, and lead the way with unparalleled passion and expertise.

This month, we invite you to explore a carefully curated selection of wines from visionary women across the globe. From the vineyards of France to the sun-drenched hills of California, each bottle tells a story of resilience, creativity, and dedication. Join us in raising a glass to the women who have paved the way in the wine industry and those who continue to inspire.

Cheers to their remarkable achievements, and to the future of women in wine!

Spécial Club Champagne

Spécial Club champagne, also known as the Club de Trésor or Club of Treasures, is the highest designation for grower champagne. Of the hundreds of grower champagne producers, only 28 are currently a part of this prestigious organization.

The process of being included in the Club de Trésor is incredibly rigorous. Prior to each declared vintage every wine is blind tasted at two different points throughout production and must be unanimously approved.

A style of champagne that is near and dear to our hearts, we are very excited to be able to curate a selection of our favorites for you to enjoy.

Cheers! - Ashley Waugh

The Wines of Bill Harlan

Few people have had the vision & forethought to impact the Napa Valley wine culture as completely as Mr. Bill Harlan. As Bill tells it, a visit to Robert Mondavi's winery the week it opened in 1966, sparked a lifelong dream... to create a 'First Growth of California'. He bought his initial piece of land in 1979, three years after Napa Valley shocked the world, with the judgement of Paris.

Harlan Estate, first released in 1996, quickly became one of the most sought-after labels in the world. Setting a model, which became a new standard, with low production, top quality fruit and resulting high prices, Harlan literally created the cult cabernet category. His work at Bond (1996), The Napa Valley Reserve (2000) and, most recently, Promontory (2008) has cemented his legacy.

After six perfect scores between '94 & '13, Robert Parker declared, "Harlan Estate might be the single most profound red wine made not just in California, but in the world."
